Ed got me the final ER last night at 10 PM - I am now working to finalize my MDP today and ship everything off to you.

I will also re-send the database as we made one tiny change. After a discussion with Ed, we removed the federal USPS parcel (Venice post office.) It was on the edge of the BID and was not required for a contiguous boundary, so we just removed it from dbase and other docs. It was assessed at zero from the beginning, so it has no effect on other assessments or budget (all dbase numbers remain the same.) Some tables in the extra tabs have also been updated as necessary due to Ed's general benefit calculation (total budget figures.) Otherwise, database is the same as the last submission on April 10.

We have also revised the map for clarity, to delete the USPS parcel, and to reflect all the APNs used in the legal boundary description.

Warmest regards,

FYI -

Ed said he will have the draft ER done tomorrow. Tomorrow is my birthday (not working!) but I should have the ER and MDP in to you on Monday or Tuesday, before I leave for vacation.
